## **WIN WIN GOTHENBURG SUSTAINABILITY AWARD**

The world's leading sustainability award aims to recognize and support outstanding contributions from around the world. Our goal is to stimulate creativity and achieve lasting synergies as we strive to strike the right balance between ecological, environmental and social needs. The prize has been presented in Gothenburg since 2000.

The WIN WIN Youth Award is an international award that aims to empower and reward young people who play an active role in the creation of a more sustainable future.
